How to guide: Accessing Adobe Creative Cloud from Home

Please remember to check to make sure your computer/laptop has the correct specification to run the Adobe software before downloading it.

Photoshop example: <u>https://helpx.adobe.com/uk/photoshop/system-requirements.html</u>

Please follow the instructions below to enable access to Creative Cloud Desktop Apps on your personal device.

- Visit <u>https://creativecloud.adobe.com</u> and sign in with your login details. These will be the following: student email address, which is the students username with @hlna.co.uk at the end for example JoanneSmith25@hlna.co.uk, The password is the students password used for the school computer system.
- 2. From the Creative Cloud website, browse for and download **Creative Cloud**.

			Resize image

3. Once Creative Cloud is installed, you can now install other Adobe Apps.

Please note **Photoshop**, **Dreamweaver & Premier** need to be installed in the following way to work with the software within school:

1. To install **Photoshop**, **Dreamweaver** & **Premier** (other Apps can be the latest version). Find the software which you want to install by scrolling through the selection under **All apps** in **Creative Cloud**
