

SUMMER HW: ALTERNATIVE MASTERPIECES

YEAR 6 ART AND DESIGN TRANSITION PROJECT

As a fun and creative way to start your art journey with us at Higham Lane North Academy, we have set you a summer challenge.

WHAT DO YOU NEED TO DO?

1. Choose a famous piece of artwork that inspires you. This could be one you have studied already in primary school, or one that you find whilst researching this task.
2. We would like you to recreate this masterpiece using alternative materials in an unconventional way (see examples).
3. Present them side by side with the original like you can see in the examples. These will be uploaded to Google Classroom in your first week in September (we will explain how to do this when we meet you).

WHEN DO YOU NEED TO DO IT BY?

You should plan and take your time with this activity over the summer. Make sure you photograph and present your alternative masterpiece. This will be collected in by your art teacher, via Google Classroom, during the first two weeks of term.

EDVARD MUNCH, "The Scream" 1893

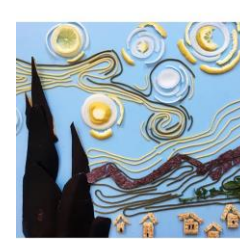

RENE MAGRITTE, "Son of Man" 1964

LEONARDO DA VINCI, "Last Supper" 1490's

PABLO PICASSO, "Weeping woman" 1937

VINCENT VAN GOGH, "The Starry Night" 1889

SALVADOR DALI, "The Persistence of Memory" 1931

PRIZES: Each class will have a bronze, silver and gold winner who will be awarded the following house points.
