HOW IT WORKS

1

Read or listen to 4 books (one from each category) before September 2025 to complete the 'New Chapters' Transitions reading journey. Pop into your local participating library to get your stamp when you have completed a challenge.

2

You can also complete any or all of the four creative challenges and hand them in to your school in September.

3

Hand in your completed challenge to your new school in September to claim your certificate.
